

**Owen Sound Family Physician Recruitment**  
**Student Bursary Program Application**

Our student bursary program is available to assist medical students in their goal to become a physician. We understand that you may not be planning on specializing in family medicine or may not yet know where you wish to locate upon graduation. It is our hope however, that you will remain in contact with our recruitment group and consider the possibilities of returning to our area in the future. Your community needs you!
